# God made everything!

## GENESIS 1-2

Long ago there was nothing in the world—except God. There were no people, no cars, no trees, and no puppies. Everything was dark.

Close your eyes and see how dark it was.

Then God did a wonderful thing. God spoke and made the light and color appear! He made everything, and He made it perfect!

Open your eyes and see the light and colors around you!

God thought of every detail when He made the world. And He thought of every detail when He made you, too!

Point to yourself.

He made you just the way He wanted... He made you perfect!

You are His masterpiece and one of the best things God made!

**Thank You, God, for making me!**
