KINGDOM
BUILDERS

VICTORY FAMILY CHURCH

WHAT IS KINGDOM BUILDERS?

Kingdom Builders is our generosity initiative that accelerates the work of God's Kingdom by investing in **local church expansion**, global missions, and future Christian leaders. It's how Victory Family Church gives *above and beyond* the tithe so that more people—both here at home and around the world—can encounter Jesus.

Through Kingdom Builders, we've seen thousands experience the unconditional love of God. Missionaries are equipped to share the Gospel in places where the name of Jesus has never been heard. Children are rescued from trafficking. Lives are restored through miraculous healing. And right here in western Pennsylvania, local ministries and churches are growing, discipling, and meeting real needs in our communities.

Every gift matters. Together, we're helping churches thrive across the United States, sending leaders into the mission field and shaping the next generation to boldly live for Christ.

Through God's provision and the faithful generosity of our church family, Victory is able to give away millions of dollars each year—an overflow of love that makes an eternal difference.

When you give to Kingdom Builders, you're telling the world about Jesus. Join us as we continue building His Kingdom—across the street, across the nation, and across the globe.

AREAS OF IMPACT

LOCAL

From our neighborhoods to cities across the nation, people are longing for hope and the unconditional love of God. By investing in local ministries, we are stepping into the needs of our communities—feeding the hungry, supporting families, and sharing the life-changing message of Jesus with our neighbors.

GLOBAL

Jesus calls us in Mark 16:15 to “go into all the world and preach the Gospel to everyone.” Through Kingdom Builders, that call is being answered. Together, we are bringing the good news of Jesus to unreached people, rescuing children from trafficking, building homes for families in need, and equipping pastors around the world to reach their communities.

FUTURE CHRISTIAN LEADERS

The next generation isn’t just the church of tomorrow—they’re the church of today. Because of your generosity, young leaders are being sent on mission trips, trained in Bible schools, and developed through internships and residencies so they can boldly live out their calling and lead with faith.

Every time you give to Kingdom Builders, it helps change lives—across the street, around the world, and for generations to come.

**A GENEROUS PERSON
WILL PROSPER;
WHOEVER REFRESHES
OTHERS WILL BE
REFRESHED.**

ORPHANS AND ORPHAN CARE

GLOBAL MISSIONS

Around the world, countless children face life without the care of a family. However, through Kingdom Builders, we partner with ministries that step into that gap—offering not just shelter and food, but also love, education, and the hope of Jesus. One of those partners is **Mutual Faith Ministries**, whose *Life Home Orphanage* is transforming lives one child at a time.

At Life Home, every child's journey tells a story of redemption and God's unfailing goodness. Take **Amvie** and **Olly Grace**, two bright young students who continue to excel in school. Both are consistent honor students, earning awards for their hard work and dedication. Their success is a testament to what can happen when children are given the opportunity to learn, dream, and thrive in a Christ-centered environment.

Then there's **Elben "Tata,"** a college student studying Business Management. His perseverance and faith have carried him through years of study, and now he's preparing to graduate—with a job already waiting for him at his university. Tata's story reminds us that investing in children today builds the leaders of tomorrow.

However, perhaps the most powerful reminder of God's grace comes through **Emily** and **Ramy**, siblings whose early years were marked by hardship. Abandoned by their parents, Emily worked tirelessly, carrying water up a mountain just to earn enough for food while her little brother waited at the top for her return. Their story took a miraculous turn when a kindhearted believer brought them to Life Home. Now, Emily is in third grade, thriving as a fast learner who even tutors Ramy, who's full of energy and joy.

Through the faithful giving of Kingdom Builders, children like these are discovering new beginnings. What once seemed impossible—an education, a home, a future—is now a reality made possible by God's provision and the compassion of His people.

TRANSLATION
FOR
THE
BIBLE
FOR
THE
WORLD

OF BIBLE RESOURCES

FUTURE CHRISTIAN LEADERS

Across the globe, more than 7,000 different languages are spoken each day. Yet, for many people, access to the Bible and faith-based training in their own language remains limited or nonexistent. Through Kingdom Builders, our church is helping change that reality—by investing in organizations that translate and distribute Bible resources so that every person, in every nation, can encounter the truth of God’s Word.

One of our Kingdom Builders partners, the International School of Ministry (ISOM), is leading this global effort. Thanks to the generosity of Kingdom Builders partners, ISOM has now translated its video Bible school into 113 strategic languages. Each translation opens doors for pastors, missionaries, and believers to grow in their faith and reach their communities in powerful new ways.

The impact is remarkable. Among the Maasai people in Tanzania and Kenya, over 800 students have graduated from ISOM in the past two years—including 96 this September. Missionaries working there wrote, “Just the fact that 96 Maasai students, from deep in the village, have done something many of us never try to do—graduate from Bible school . . . We are watching a nation of people change before our very eyes.”

But the story doesn’t end there. ISOM has recently released a Tibetan translation, reaching one of the world’s most unreached people groups. In Iran, where revival is breaking out despite government oppression, new Farsi resources are equipping believers to stand strong in their faith. And in Madagascar, nearly 50 students recently graduated from ISOM’s Malagasy program—many receiving a diploma for the first time in their lives. During a leadership conference in a remote village called Andapa, more than 1,300 local leaders gathered in celebration of what God is doing.

Through Kingdom Builders, we are not just funding translations—we are helping transform lives, empower leaders, and spread the Gospel to the ends of the earth.

NEW KINGDOM BUILDERS PARTNER: BRINGING HOPE TO INDIA'S STREETS

Amid the crowded streets and hidden alleys of India live more than one million children—vulnerable, forgotten, and yet deeply loved by God. This year, we're excited to welcome a new Kingdom Builders partner whose heart beats for these very children, bringing light and hope to some of the darkest corners of the world.

Founded by a couple lovingly known as *Didi* ("big sister") and *Dada* ("big brother"), this ministry began as the fulfillment of a childhood calling. As a young girl, Didi prayed, "Speak, Lord, your servant is listening," and God answered with a promise: "*You will be a missionary to India.*" Years later, that promise took root when she and her husband moved to India to serve the children of the streets.

Today, their ministry is home to 21 children who live with them full time—a family being raised to know and follow Jesus. Beyond their home, they operate a daycare and after-school program that supports over 150 children from single-parent households living in poverty. Each child receives nutritious meals, educational support, skill development, and the life-changing message of the Gospel—all while their guardian is able to work without worry.

God continues to expand the impact. The ministry now hosts Kids Clubs, Youth Clubs, discipleship classes, worship nights, and even a growing church that began with daycare families. Every week, over 80 families gather to worship and hear the message of hope. Through house fellowships in nearby slums, entire neighborhoods are coming to faith and preparing for baptism.

Looking ahead, they plan to open a **Youth Café in 2026**—a welcoming space where young people can find community, belonging, and pathways to employment. And through their outreach to rural pastors via **SOAK (Servants of Almighty King)**, six pastors now receive financial and spiritual support. Together, they've planted **over 25 tube wells**, bringing both clean water and the Living Water to villages that had never heard the Gospel.

As Kingdom Builders, we are honored to stand with this ministry—helping children, families, and entire communities experience the transforming love of Jesus.

PLAN

VISION

DREAM

By God's grace and your generosity, Victory Family Church has been able to invest millions of dollars beyond our walls—impacting lives, meeting needs, and advancing the Gospel around the world.

Kingdom Builders is how we partner together to see God's Kingdom grow—locally, nationally, and globally. If you're ready to be part of this life-changing mission, here's how to get started:

- **Plan your generosity.** Setting a clear plan builds accountability and gives you practical steps toward your giving goal.
- **Pray for God's vision.** Ask Him to show you how He wants to use your resources. As Philippians 4:19 reminds us, “*God shall supply all your need according to His riches in glory by Christ Jesus*” (KJV). When we partner with God, He works through us in ways we could never accomplish alone.
- **Set a dream amount.** This number is between you and God.

Trust Him with it, take steps of faith, and watch as He exceeds your expectations—just like Ephesians 3:20 promises. Remember, it's not about the size of the gift, but the heart and obedience behind it.

OUR KINGDOM BUILDERS GOAL FOR 2026 IS \$6.8 MILLION.

Thank you for giving faithfully and generously. Together, we are building something that will outlast us and reach far beyond us.

IMPACT

OFFERING

Each year, we hold an offering service that we call Impact Offering Weekend. Usually taking place in November, this is a time each year that we receive a special offering, and it is dedicated entirely to supporting Kingdom Builders. During this service, we bring our best gifts to God as an expression of faith and generosity, knowing that every contribution advances His work both locally and globally. We encourage you to prayerfully consider what God is placing on your heart to give and make plans to be part of this important weekend.
